The Student Affairs Council of IIT Palakkad has partnered with Coursera to offer students free access to over 3,800 courses through the "Coursera for Campus" initiative. This program is entirely free and includes certification for each course completed.

You will be able to access the courses only using the emails under the domain smail.iitpkd.ac.in for **students** & iitpkd.ac.in for **faculties & staff**.

The instructions to get yourself enrolled in the program are as follows:

1. Go to Coursera website and signup/login.
2. Register using your "iitpkd" domain email only. (ex- 112101006@smail.iitpkd.ac.in)
3. For security purposes, set a password different from your webmail password.
4. Later, check your inbox of "iitpkd" domain email and click on the link that you will receive from coursera's end to get yourself verified that you fall under iitpkd's domain.
5. Go to the above program link and click on the Join for Free button.
6. You can switch between 'Indian Institute of Technology Palakkad on Coursera' program and regular coursera using a button on the top left.
7. Full access has been made free for the selected 3800+ courses and not for all the courses.
8. The server may be fast sometimes, and you may have to wait to get the verification mail once you opt to join a course. We request you to be patient about this.
9. You may contact the program admin in case you face any issues.
10. If you have already registered yourself with this coursera_on_campus link, then your account is already active to access this program.
