We have collaborated with Domino's Pizza in two modes, both Dine-in as well as exclusive campus delivery.

So, every **Tuesday**(throughout the academic year with an exception during student vacation, as per the academic calendar of IIT Palakkad), Domino's will be delivering your orders exclusively to our campus. Please follow the below mentioned procedure for the same & find the [Corporate Menu attached here](#) exclusive for IIT Palakkad.

- On every Tuesday, you can order your food from **10AM to 5PM** by talking to the executives at the outlet on these numbers: **9003513151** or **8714166945**. Alternatively you can also dial them on 7012997881 if the other lines are busy.
- Once you place your order, you will be requested to share the following information:
 - Name, Mobile Number and Campus name(either Nila or Sahyadri)
- Please note that this is a **prepaid order**, hence we request you to complete your payment while placing your order. The executive from their end will guide you through the payment process.
- All these orders will be delivered to two delivery points, the 1st being the **Tilang-A front space** & 2nd being **Malhar Hostel front** where the delivery executive will wait for 20 mins to distribute the pre-placed orders. The delivery time will be **between 7PM-8PM** and the exact time will be conveyed by the delivery executive.

A special note to all those who would like to avail this corporate menu offer during your Dine-in at the outlet itself: Please carry your **IIT Palakkad Identity Card**(applicable on IIT Palakkad's **student ID card or faculty ID card or staff ID card or alumni ID card**) & also please convey the code **UDAY_STORE_MANAGER_IIT_PKD_COLLAB** to the executive at the order desk in the domino's outlet.
