The instructions to get enrolled in the program are as follows:

1. You are able to access the courses only using the emails under the domain iitpkd.ac.in or smail.iitpkd.ac.in.
2. The course is primarily for the students, however, faculty and staff can also enroll if they wish to take the courses.
3. Go to the above program link and click on the Join for Free button.
4. Click on signup/login.
5. Register using your iitpkd domain email. (ex- 111701032@smail.iitpkd.ac.in)
6. For security purposes, set a password different from your webmail password.
7. You can switch between 'Indian Institute of Technology Palakkad on Coursera' program and regular coursera using a button on the top left.
8. Full access has been made free for the selected 3800+ courses and not for all the courses.
9. The server may be fast sometimes, and you may have to wait to get the verification mail once you opt to join a course. We request you to be patient about this.
10. You may contact the program admin in case you face any issues.
