Foreword by the Patron

The need for a Student Constitution was felt early on, by the institute. Even as early as 2017, the Students' General Secretary (Prakhar Agrawal) shared a draft with Prof. Valsa Kumar, the Dean (Students). A draft constitution was also shared in 2018 by Chaitanya Khawase (the Students' General Secretary) with Prof. KVG Kutty who was the Dean (Students).

In 2018, the 5th Senate resolved that the Dean (Students) can take an initiative to formulate a roll of honor for students through student counselors. Thus, the "Student code of ethics and honour" was prepared. This was reviewed by Dr. Sarath Sasi. A draft constitution was also presented to the 10th BAC which resolved that "the Dean (Students) and Dean (Academics) will constitute a committee outside BAC for review of the full document and the suggestions arising then be sent to the Student Council for appropriate consideration. The discussion on this document is deferred till then."

A committee was then formed by Prof. KVG Kutty (Dean - Students), consisting of Dr. Krishna Sesha Giri (Chair), Dr. Debarati Chatterjee, Dr. Lakshmi Narasimhan Theagarajan and Dr. Anoop George. In 2019, the committee proposed changes to the preamble, code of ethics and honour, jurisdiction of the code of conduct and violations, and the SAC constitution.

The code of ethics and honour was adopted in July 2019 by the 9th senate.

In June 2020, the SAC led by Muhammad Yaseen presented the draft student constitution to the Dean (Students), Prof. KVG Kutty for review. In July 2020, the SAC also shared the document with Dr. Anand TNC who had taken over as Dean (Students), and followed up on it. Due to the covid situation, it could not be taken up further during the term of the SAC. The new SAC team led by Shrujan Kanabar also requested the Dean (Students) to approve the students constitution.

Meanwhile, the formation of the Board of Students, the separation of the institute and hostel accounts, addition of secretaries to take care of PG and Research affairs, and other changes in the system were pursued. In the case of the messes, the operation was handed over almost entirely to the students, and it is expected that more and more responsibilities in the student sector would be handed over to the students on similar lines, in the coming years.

In light of these and the other procedures which evolved, it was felt that the draft constitution needed to be expanded to reflect these aspirations. The constitution also borrows some sections from other institutes. An updated draft was presented to several former secretaries and also the present secretaries and members of the Board of Student, and was modified to take into account their feedback.

As is evident from the description above, many people have contributed to making the Student constitution. On behalf of the institute, I thank all of them and hope that with the adoption of this Student Constitution, the roles of the student office bearers will be clearer, and lead to students taking up more responsibilities in the student sector.

Prof. P B Sunil Kumar
Director, IIT Palakkad

In case the candidate does not get elected, another nomination will be called for the post and elections will be conducted again. In case of a tie, there will be a re-election.
